Ravalli County Commissioners  
345 State Street  
Hamilton, MT. 59840

Dear Commissioners:

The Darby Community Public Library Board of Trustees will be celebrating the completion of the landscaping and dedicating the new flag and flagpole to all veterans in front of the newly landscaped Darby Library and City Park on Saturday, August 25, 2007. This will be part of the Darby Fun Days events and will take place immediately following the parade. The parade is scheduled to start at 10:30 AM so the dedication will begin at approximately 11:30 on the west side of the park.

As commissioners you were instrumental in the completion of the library landscaping and the renovation of the city park. On behalf of the Darby Community the library trustees thank you and invite you to the dedication. Would you please choose a spokesperson and be prepared to say a few brief remarks at the dedication?

Hope all of you can be there.

Sincerely,

Veryl Kosteczko, Chairperson  
Darby Community Public Library Board of Trustees
